

STEGOS FUN KID FACTS®

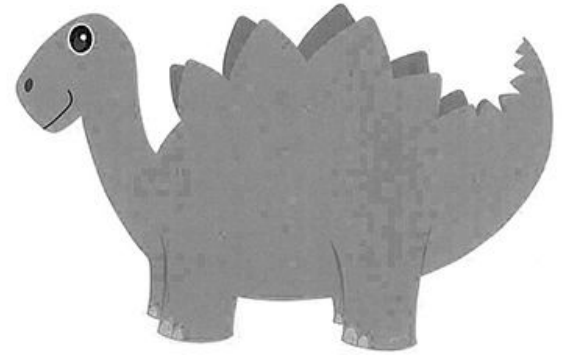

MAKE MEALTIME - FUN TIME!

Hi There!

I am Stegos the Dinosaur and I want to tell you all about me.

There are a lot of interesting facts that most people do not even know.

I want to share these interesting facts about me so you can share them with all of your friends. Use your Dinomat to help you.

1. I am a Stegosaurus dinosaur. There were once over 700 different species, or kinds, of dinosaurs.
2. My name is pronounced steg-o-saur-us.
What is your name? Use my dinomat to find all the letters in your name
3. My bony plates on my back looked like roof tiles on your house so Stegosaurus meant roofed lizard.
4. My name comes from the Greek word 'stegos' that means roof and 'saurus' meaning lizard or plated lizard.
5. Did you know that I have 17 bony plates on my back? Can you count to 17? Use my dinomat number line to help you count.
6. My bony plates are in the shape of a kite or diamond. Another name for a diamond shape is a rhombus. Some kites can be in the shape of a rhombus. Have you ever flown a kite before?
7. I loved to eat plants such as fruits and vegetables. That made me a herbivore or plant eater! I did not eat any meat like chicken or hamburgers. What are your favorite foods to eat? What letter does it start with? Can you find it on your dinomat?
8. Did you know that I lived a very long time ago – over 150 Million years before you! No people walked the earth when I was around. How old are you? Can you find your age on your dinomat?
